# THE FALCON

Once upon a time, in a galaxy, far, far away a spaceship was flying past the EARTH. The spaceship was called, 'THE MILLENIUM FALCON'.

The captain of the spaceship was Captain Miles. He was up the front of the spaceship. He was flying in hyperdrive.

Sitting next to Captain Miles was Mikey. Mikey was the gunner. He was sitting with his laser gun, and waiting.

Miles and Mikey were chasing after an alien, called Dank. Dank was as big as a crocodile, and had rainbow skin.

The alien had 16 eyes and 1 leg. It was furry. The alien was building an army on a desert planet, called TOKE.

Captain Miles said to Mikey, " be ready to shoot!"

Mikey said, "yes, captain!"

Miles and Mikey made up a plan to do a sneak attack.

# THE PLANET TOKE

Captain Miles flew down low in the MILLENIUM FALCON. He flew near some trees, and the spaceship got stuck on a branch.

Miles and Mikey got their guns and laser swords. They squeezed out of a hole in the bottom of the ship.

Then, Captain Miles sneaked over to the TOKE COMMAND CENTRE.

His plan was to shut it down, by putting a bomb in it.

The bomb exploded.

**BOOM!!!!**

Heaps of fire came out of the **COMMAND CENTRE.**

Gunner Mikey sneaked over to the alien scrapyard to get some materials. He built his own army tank with his super-fast driller. Mikey put on a helmet, and hopped into the tank. He drove it over to Miles to see what he was doing.

Mikey said, "Captain Miles!-Why is there fire?"

Miles said, "I blew up the  
**COMMAND CENTRE!**"

# THE ALIEN

All of a sudden, Dank jumped out from behind a tree.

Mikey said, "Look Captain!-There is an alien!"

Captain Miles took his laser gun out of his pocket.

**BANG!!!**-Went the laser gun.

Dank hopped away on his one leg. He hopped to a river.

Captain Miles chased the alien, and Gunner Mikey hopped into his tank, and followed him.

Dank jumped over the river.

Captain Miles turned on his jetpack. He flew over the river.

Gunner Mikey drove his tank through the river. He threw out a net. The net landed on the alien. The alien was stuck in the net.

Mikey fired a bomb out of his tank.

**BOOM!**-The alien caught on fire. One of its eyes popped out.

Miles got his laser sword and stabbed the alien. The alien died.

# MINECRAFT PLANET

Captain Miles and Gunner Mikey went back to the scrapyard. They built a crane, and put a motor in it. They got into the crane and lifted the 'MILLENNIUM FALCON' off the tree.

Then, they got out of the crane and got into the spaceship.

Captain Miles flew the spaceship to MINECRAFT PLANET.

Mikey got out to see if the planet was safe. Mikey said, "yes!- The planet is safe!"

Captain Miles got out of the spaceship. Out in the distance he saw a pod-racer. Inside the pod-racer was a talking kangaroo.

The kangaroo said, "hey!-Can we swap spaceships?"

Miles and Mikey said, " yes please!"

The kangaroo hopped over to the MILLENNIUM FALCON, and flew off to the planet, TOKE.

Miles and Mikey climbed into the pod-racer and flew to the moon.
