THE THREE FAIRIES

Once upon a time there were three magical fairies. Their names were Stella, Lilly and Maya.

One stormy night, they were out in the bush. They were riding their unicorns. It was so dark, they soon got lost, and lightning nearly struck them.

Maya found a torch in an old shed. She turned it on. The three fairies saw a beach with blue sea.

All of a sudden, a mermaid jumped out of the water, and fell onto the land.

The three fairies lifted the mermaid up and threw it back into the sea.

The mermaid waved goodbye, and it swam away.

Stella said, "lets have a picnic!"

"Good idea!" said Maya and she waved her magic wand, and there were sandwiches everywhere.

Lilly waved her magic wand and there were cookies everywhere.

Stella waved her magic wand and there were strawberries everywhere.

They were so hungry, they ate all the food.

THE MAGIC LAMP

Then, Maya saw another shed, and the three fairies went over to the shed and opened the door. The shed was full of treasure.

Stella found an old lamp. She rubbed it, and two genies exploded out of the lamp.

"My name is Shimmer!" said one.

"My name is Shine!" said the other.

Then, they said, "boom zara-may!
First wish of the day!"

Stella said, "I wish for a giant,
creepy, green, crawly caterpillar!"

Suddenly, a giant, creepy, green,
caterpillar appeared.

It was scared of the fairies. So, it turned into a butterfly and flew away to the snowy mountains.

The two genies said, "boom zara-may! Second wish of the day!"

Maya said, "I wish for Mr Hogan riding on a dragon!"

Suddenly, Mr Hogan appeared, AND, he was flying on a dragon.

The dragon flew up into the air, AND, Mr Hogan fell off, AND, he bumped his head.

The two genies said, "boom zara-may! Third wish of the day!"

Lilly said, "I want a radio!"

Suddenly, a radio appeared, and Shimmer turned it on.

Loud music came out of the radio.

The three fairies liked the music, so, they had a big party.

Maya waved her magic wand, and a cake appeared.

The fairies picked up some cake, AND, threw it at each other.

"What a party!" they said.

Stella had cake in her hair.

Maya had cake all over her face.

Lilly had cake on her feet, AND, her feet got stuck.

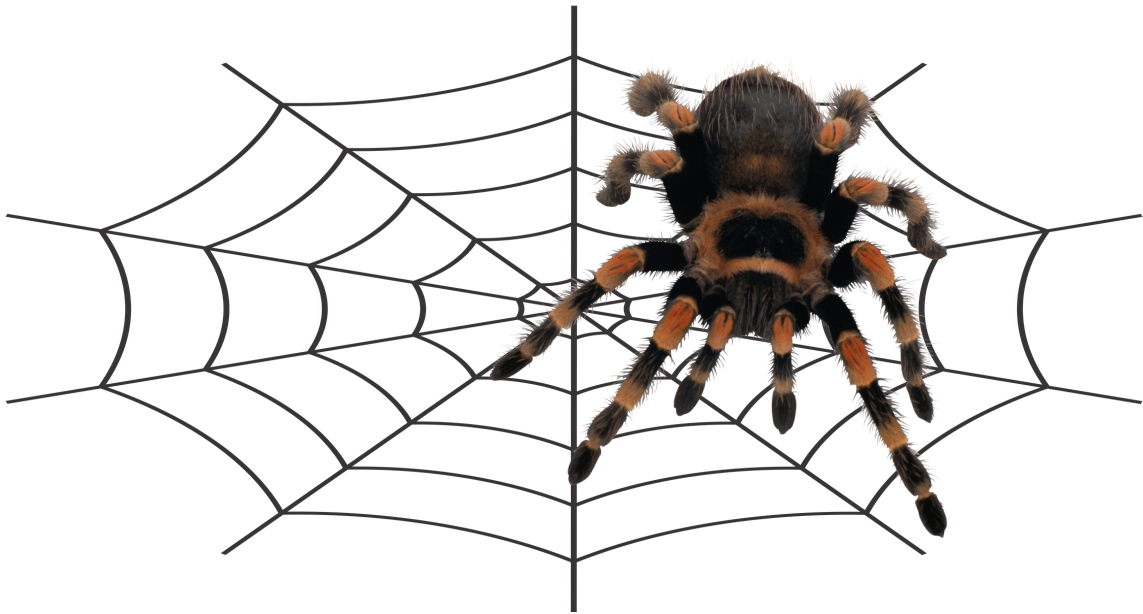

Maya waved her magic wand again, and the dragon

came and
breathed out
fire.

TRAPPED

When the fire was gone, the fairies saw a big spider. It was spinning a big web. The fairies got too close to the web, and the spider trapped them.

Maya waved her magic wand and she escaped. Stella and Lilly were trapped in the spider web.

The spider took them to a cage.

Maya waved her magic wand, and said, "make Lilly and Stella get out of the cage! Right now!"

PATOOM!-They were free!

Just then, the nice dragon flew over and picked up the fairies.

The dragon took them to a roller-coaster. They all got dizzy. They went 'round and 'round and 'round, until they had butterflies in their stomachs.

Then, the dragon took them home to their fairy house, and they all lived happily ever after.
