

# THE ESCAPE

By Michael Bengner

Mikey, Jaxon and mum were in Melbourne. Mickey was playing footy. Mum was watching the footy game. Jaxon was drinking water.

Suddenly, Mikey tripped over because he was running too fast. He got back up and he started running again.

All of a sudden, lots of animals crashed into the game. There was a zebra, an elephant and a giraffe. They had jumped over the fence at the zoo. They had escaped.

The people at the footy ran away. They screamed.

The animals ran out onto the footy ground. Mikey ran to where the footy players come out. He went down to where the player's rooms are. Mikey hid in the room.

The animals ran away, back to the zoo.

Mikey got out of his hiding spot. He ran back out onto the footy ground, and the game started again.
