

AT THE MOVIES

By Emma Paton

Katelyn, Emma and their daddy were at the movies. They were eating popcorn. Emma was watching the movies. Daddy was drinking a milkshake. Katelyn was sleeping.

Suddenly, a car crashed into the movie theatre.

CRASH!!!

Katelyn woke up. She screamed. Daddy's milkshake went everywhere. Emma was shaking. She was scared.

Who was driving the car? It was an alien. It had eight eyes. It gave out lots of presents. It was friendly.

Katelyn got a toy butterfly.
Emma got a toy barbie. Daddy
got a footy cup.

The alien drove out of the
theatre. It went to the shops. It
went to the shops because it was hungry. It
got some biscuits from the shop.

The people at the movies had to go home,
because the theatre needed to be fixed.
