If I was going to enter the Olympics I would go in synchronised swimming. I like synchronised swimming because it is

creative, fun and cool. I like synchronised swimming because it is a bit hard. I like to try things that I haven't tried before.

Crack! The gun goes. This was it. This was where I made up for everything I've lost. Everything felt like slow mo. Suddenly, I was off and running. About ten seconds later I had finished. Before I knew it I was on the winner's podium with a Gold medal.
