Bush Poetry

Students in 5/6HB were once again involved in the Bush Poetry Recital organised by the very talented Alex Allitt. Due to COVID19, this year the format was somewhat different, with students performing their selected poem on the top playground overlooking the Brick Kiln Creek. The students selected and rehearsed their poems independently and should be commended on their entertaining performances. All students were presented with certificates recognising their efforts as well as beautiful, bespoke, red gum pens provided by Mr Allitt.

The students participating were:
Samara Watson reciting 'A Dog's Mistake',
Andrew Smith - 'The Ballad of the Drover',
Ned Clancy and Matthew Pitt- '9 Miles to Gundagi',
Hamish Baker- 'The Man From Ironbark' and Mitchell Grimwood- 'The Swagman'.

Many thanks to Mr Allitt for giving up his time for the event.

Magazine Sponsorship

Planning is under way for the school's annual magazine. This magazine features a small item from every student and is a wonderful memento of the year at school.

In the past, through the generosity of sponsors, it has been possible for every

student to receive a copy for free. Sponsorship is very much appreciated, all sponsors will be acknowledged in the magazine itself and will receive an extra copy.

The cost is \$30 for a Silver Sponsorship and \$50 for a Gold Sponsorship. For families who would like to sponsor a page of the magazine, please contact the school office by November 20.

Time to get creative kids

We are looking for some amazing pieces of student art to be used for the cover of the annual DNPS Magazine.

Submissions are to be of your own design, must not include writing and must be in colour.

Entries due Friday 20th November.

A New Record

The Senior Boys Long Jump Record of 4.17m that was set by Harley Hicks in 2019 has been broken by Charlie Bull. Charlie managed to equal Harley's jump on his second attempt and then go on to beat it on his third and final jump, jumping a total of 4.29m. A huge congratulations to Charlie for setting a new record, and an even bigger congratulations for managing to do so using our school's very limited long jump facilities. Thank goodness he didn't jump any further, we may have ran out of sand!

Amazing Primary Athletics

Last week, our students aged 8 years and above took part in our Modified Athletics Carnival. From Tuesday to Friday, students participated in each of the track and field events. The event, organised by Mrs PC and Christie, was an excellent example of the sportsmanship and determination of our Deni North students. It was also, another perfect display of just how well the students have been able to adapt in this far from normal school year.

All events were completed in age groups. Field events were completed over the four days, whilst the running events were conducted on Friday morning, providing a carnival atmosphere on our school grounds.

The event, proved very entertaining, with a number of moments too good not to share, hence the Bloopers section below.

House updates were announced each morning, with Boyd leading the way for the field events, only to be overtaken by every house in the final tally of the running events.

Age and Section Champions were announced during the morning assembly Tuesday. Final results are listed below.

A huge thank you to every member of staff for providing a flexible timetable throughout the week, covering extra classes and taking on different roles. An extra huge shout out, to our amazing GA, Dragos. Without his efforts in the hot sun, to prepare our grounds with our very limited resources and facilities the event would not have been possible.
