tears shed by staff farewelling her and Mrs Fisher herself. Never one to make a fuss, she was incredibly surprised and humbled by the gesture, and very much looking forward to going home to take a long relaxing bath.

The school wishes Mrs Fisher the best for the coming weeks and hopes she enjoys putting those feet up.

Mrs Fisher takes leave

After 44 years of incredible service to the Deniliquin North Public School community, Mrs Marg Fisher has taken annual leave. Current and past staff members surprised her late Friday afternoon with a guard of honour. As she hung up the broom and left the school she was met with applause,

DNPS Pushcart Gala Day

DNPS will be holding their own pushcart challenge, this Friday 27th November. The annual Energy Breakthrough Challenge was cancelled this year, due to COVID-19, so rather than have 3/4D miss out on the event, Mrs Downing created her own.

Three teams will challenge the various events on the day, with presentations and display finishing the day. The Deni Destroyers (year 4), Deni Demons (year 3), and some of the younger classmates from last year's Deni Dragons team (year 4) have joined the event.

Special thank you to Brown's Rural Supplies for donating 30 square bales of hay, to act as safety barriers on the day. After the event, 25 of the bales will be raffled off, be sure to purchase a ticket!

1st & 2nd prize - 10 bales of hay

3rd prize - 5 bales of hay

\$1 a ticket.

School drop-off and pick-up Please remember it is a school requirement that students must not be dropped off prior 8.30am. Staff Supervision does not commence until 8.30am. It is important that those people picking up and dropping off children at the library exit, are mindful of the no stopping zone. Staff are at the gate in the afternoon to assist children across the road if an adult is unable to leave their car. No child is to walk across the road unattended to a vehicle.

Lost Property The lost property pile is overflowing again. Please check if your child is missing something. Also remember to clearly label your children's belongings to make sure if it does end up in the lost property bin it can be handed back.

HEAD LICE AWARENESS

Outbreaks of head lice are common throughout the school year. Although head lice are annoying, head lice are not a health risk. Head lice spread quickly by close, head-to-head contact. Lice cannot live on furniture or carpet, and they cannot jump or fly. There may be few or no symptoms, but itching may occur.

You can help by:

- Checking your child's head with the conditioner combing method of detection once a week throughout the school year.
- Encouraging your child to wear their hair tied back and avoid touching heads with other students.
- Treating your child's head if you notice lice in their hair. Regular washing hats and bedding.
- Telling the classroom teacher if your child has head lice, so other parents can be notified.

Creative Kids Voucher

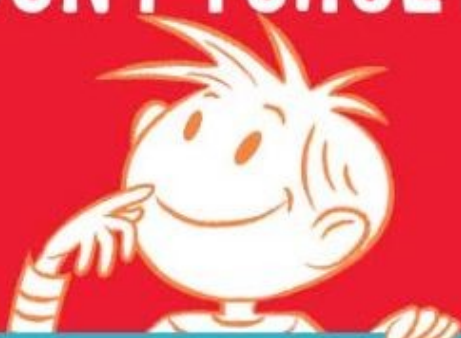

To assist with the cost of living, the NSW Government provides school-aged children (4.5-18 years old enrolled in school) with a \$100 voucher to go towards creative and cultural activities. Due to Covid-19, Service NSW is enabling families to use the voucher to purchase arts and craft supplies from registered providers. If you have not applied for your child/ren, we encourage you to do so. Further details can be found here:
