Dancing Divas

An annual tradition is the term 4 dance performances from students in stage 3. Yet to be performed, if the rehearsals witnessed by some of the performing boys in 5/6HB are anything to go by, this year's standards are extremely high!

School Resources

It is that time of the year again, time to return all home readers, library books and any other school resources that have been borrowed from the school.

If you have any of these items floating around the house, please return them to class teachers or the front office.

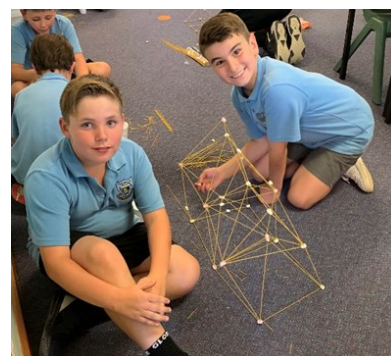

Lost Property

The lost property pile is overflowing again. Please check if your child is missing something. Also remember to clearly label your children's belongings to make sure if it does end up in the lost property bin it can be handed back.

Thank you Mr Trotman

2/3W has enjoyed having Mr Trotman teaching them over the past three weeks. He planned engaging and exciting activities for us to do. Some of these activities in-

cluded a treasure hunt in Maths and a STEM activity using spaghetti and marshmallows. We wish Mr Trotman the best with his teaching career.

Christmas Craft

Stage 2 Christmas Craft

1/2H and 2/3W have joined together for the last three weeks, completing Christmas craft. Students have rotated around stations, working with Miss Harris making Christmas trees, Melissa making tree ornaments, Stacey making wreaths and Mrs Wheeler making cardboard ornaments. Students and staff have had lots of fun being crafty!

Thank you to the students in 4/5B for bringing some Christmas cheer to the school. After some inspiration and instruction from Miss Maxwell, the students created wonderful festive door and wall decorations, that are now hanging throughout the school.

Ready to replace Rudolf!

Should Santa lose a reindeer or two this Christmas, the students in K/1TM are ready to take their place. Busy making lots of Christmas craft in class, the reindeer antlers look so real many thought Santa may have

let his reindeer loose in the school!
