FROM THE PRINCIPAL

Presentation Day

Today we celebrate the year of student achievement and I congratulate every student who is being recognised. Although we cannot give every child an award there are still many deserving of recognition, I encourage you to read your child's report with them when it comes home via Sentral this afternoon.

Year 6 End of year activities

Year 6 had a wonderful day at Big 4 yesterday despite the heat. Although we had to cut it a little short and come back to school for the afternoon, I know they enjoyed their time there. Tonight is the Year 6 graduation and tomorrow the students will be putting on a fashion parade in the afternoon.

School Magazine

Thank you to all of the contributors to the school Magazine. Stacey has done an incredible job of putting the magazine together and each family will have received a copy yesterday.

School Holidays

It would be appreciated if everyone could update their child's health Action Plans over the holidays and then provide the school with a copy in the New Year. I wish everyone a safe and relaxing summer vacation ready to start the new year fresh for another year of learning.

All students return on Thursday 13th February.

GOLDEN GREATS

Congratulations to Hugh, Archie, Charlie, Lotus, Harvey, Tai, Tia & Lucas on receiving their Gold Awards!

SUPERSTAR

Congratulations to Hugh & Archie on achieving Superstar status.

EXTENSION MATHS TACO'S WEEK 10

This Term in our 5/6 Extension Maths group we have continued to recognise that mathematics is constantly used outside the mathematics classroom and that mathematical skills are needed to be successful in a wide range of familiar and unfamiliar situations. Last week we planned shopping, pricing and preparing Taco's. We planned for different sized groups, discounts and price increases. Finally, we had a celebratory end of year luncheon. A huge thank you to Ang, for coming in on her day off to help us.

RIVERINA SCHOOL SPORTS ASSOCIATION

BLUES AWARDS

Congratulations to Oli Hall on receiving a Sporting Blue award at the Riverina School Sports Association Blues Awards. A sporting Blue is arguably the most prestigious award which can be bestowed upon a varsity athlete. Since its inception, the award of a sporting Blue focused on excellence and tradition. Those awarded Blues were leaders in the respective sports and are part of an educational tradition of leadership and achievement which is of the highest prestige and importance.

Oli Received the Blue Award for being a hard-working athlete who always shows great sportsmanship when he competes. He is an extremely talented cross-country runner and humble athlete who works hard to achieve his goals. He has been a valuable asset to the Riverina team and will be for many years to come.
