FROM THE PRINCIPAL

Meet the Teacher Evening

It was wonderful to see so many families able to attend the meet the teacher night last night. Parents were able to hear about the routines of the classroom and some whole school changes that have taken place. If you were unable to attend and still want to check in with the classroom teacher, please do so. Thank you to the staff who stayed to supervise and cook the BBQ.

Parent Survey

Each year we ask parents to provide feedback to support our cycle of continuous improvement. Please take time to complete this short, anonymous survey that can be found at this link [Parent Survey](#) or by using this QR code:

Leeton PSSA Swimming

Congratulations to all of our swimmers who were a part of the Deniliquin team yesterday. Both Millie Hall and Chloe Lawson have progressed to the State Championships in Sydney, with final results for all events yet to come.

PSSA Trials

Last Thursday Pippa H, Havava S, Lotus B, Isaac T, Will T and Chase H attended the combined Finely/Deniliquin/Moulamein Zone soccer trials in Finley. The students played well and were able to show their skills and team working ability to the selectors. Congratulations to Havana Szejman on progressing to

MESSAGE FROM THE PRINCIPAL CONTINUED

the girls Riverina trial to be held in Albury April 1st and Isaac Tubb for selection into the boys Riverina trials in Griffith on March 26th. Today we have 6 boys at the 2nd round of AFL trials in Narrandera and wish them the best of luck. Updates next week on how they fared.

SLSO Professional Learning

Yesterday four of our SLSO's were able to take part in professional learning in the Empowering SLSOs program with the first training focussed on strategies to use with students with ADHD. This program will continue throughout the year with all SLSOs having an opportunity to share their learning and take part in various courses to support our students.

Donations

Thank you to Stacey for the donations of some new hula hoops that definitely bring a circus vibe to the school. Students are enjoying the sparkle that they bring. Thank you to Steele for his bag of donations of some extra things for the class to use.

AROUND THE CLASSROOMS

1/2CB

This term, in 1/2CB science we are looking at forces and how you can use different forces to make a machine. We had to work out how to make a toy car move using equipment like sticks, different sized balls, ramps, rulers, balloons and straws. This equipment demonstrated forces such as pushing, blowing, hitting, ramps and gravity.

Kinder Stars

Wednesday afternoon free play time in Kinder.
