Easter Hat Parade

Students all looked fantastic at the Easter Hat parade and it was certainly a colourful way to end the term. Thank you to everyone who took part in the raffle and for the assistance of Miss Wing.

PSSA State Swimming

Congratulations to Chloe Lawson and Millicent Hall who both competed at the State Swimming in Sydney during the last week of the term. Both placed in the top 40 in the state in their races, with Chloe competing in three events. An incredible achievement for both swimmers.

Anzac Day Service

Thank you to everyone who participated in the town march on ANZAC Day and the service following. It was wonderful to see students from Year 6 to Kindergarten representing the school, and some proudly wearing medals belonging to relatives. Our captains proudly placed a wreath on behalf of the school community. Our school ANZAC service will be on Friday 9th May in week 2 at 10.20am. There will be no whole school Assembly until week 3 on Friday 16th May.

School Development Day

On Monday the staff took part in the statewide professional development in High Potential and Gifted Education. Staff were able to collaborate around planning in upcoming units for literacy and numeracy to increase the opportunities for students to show and realise their potential.

MR KING'S HISTORY VISIT TO 1/2CB

Lucas Hovenden, Clancy Grimwood, Mr King, Tia Penrith & Harry Catt.

Mr King is nice, he is caring, he is interesting. He brings lots of artefacts each time. Mr King is cool.

By Wade Paul

On Wednesday Mr King came in and told us about artefacts like the plug, the penny ink, the trivet, the hook for a bucket and well. We are so glad he came.

By Harry Catt

On Wednesday Mr King came and spent his time showing 1/2CB some old artefacts. There was a plug, penny ink and lots more. The plug was used for drovers and the penny ink is where you put a feather in it and then you write. Sometimes naughty boys put girls hair in it, only the girls with piggy tails get ink in their hair.

1/2CB loved when Mr King came, he gave us all a penny each to keep which was so generous.

By Grace Milliken

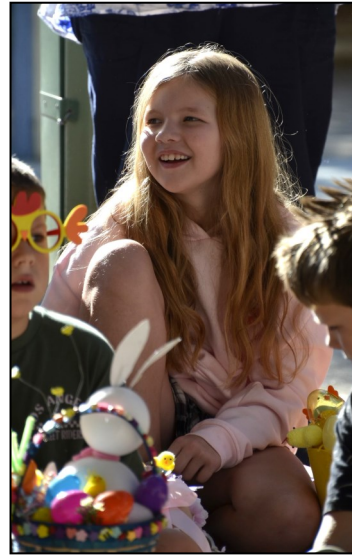

Mr King is nice and caring. He brings in old artefacts for people to learn about. Then he will go around for people to hold. Then he told us 8 things about the old artefacts, the plug, penny ink, trivet hook, record cleaner, penny, draught horse show and cough lolly tin.

By Tia Penrith.

Easter Hat Parade

What a fun way to end the term with our annual Easter Hat Parade! This started with the students of Kinder, Year 1 and Year 2 performing "Here comes Peter Cottontail". The performers did a great job, and the audience loved it.

This performance was followed by the hat parade itself. The students had created some wonderful hats and the senior students had done some amazing things to their hair. This was a real team effort. Congratulations to staff, parents and students for making this such a success.
