FROM THE PRINCIPAL

Welcome Back

Students returned to a wet playground for their first morning of the term. Luckily it didn't stop them from being active and joining in games with peers who they might not have seen for a couple of weeks. This term is always a busy one with athletics, debating, Tournament of Minds, Education Week, Book Week, Book Fair and the ongoing soccer knockout. Preparations for Energy Breakthrough will start ramping up. Some students from across the school have been nominated to take part in the Pulse Program involving singing, dancing and drama. Notes will be coming home this week for students selected with more information.

School Development Day

Yesterday staff worked on reviewing the way we implement behaviour support in the school, particularly the playground. We started looking more deeply into the new syllabuses for CHPS (Creative arts, History/ Geography, PE and Science) that are being implemented over the next two years.

Weekly Value

This week our value is for students to actively participate in learning. This comes under the umbrella of engagement and it is important for students to know that they cannot be passive in their learning but can improve their ability to learn by actively participating. This is the case especially for those subjects that are more difficult or do not hold as much interest.

KINDER STARS TEDDY BEARS PICNIC

Kinder Stars celebrated the end of a fantastic term 2 with a fun day filled with teddy themed activities. Students brought in a teddy or soft toy to join them for the day.

They decorated teddy biscuits and made pizzas ready to be cooked for their lunchtime picnic. We'd like to give Ange a huge thank you for bringing in her pizza oven.

ASSEMBLY AWARDS SYSTEM RECAP

Our awards system to acknowledge the great things students do is a tiered system. It starts with legend cards, incorporates Blue Awards then Bronze, Silver and Gold Awards and accumulates all the way to a Superstar Award.

Legend cards are awarded by staff and when a student receives 10 they are to be handed into the office. They then receive a blue award at assembly.

When 5 blue awards are collected (these can be awarded for a range of different reasons) they are to be handed into the office to then receive a Bronze, Silver or Gold award at assembly. This process continues until 5 Bronze, 5 Silver and 5 Gold awards have been received which leads to a Superstar Award. They carry over into each year.

Please hand in your piles of 10 Legend cards or 5 Blue Awards by Thursday each week to allow time to process them for Friday's Assembly.

Tea Towel Fundraiser

\$20 each

Due: Friday 1st August

Each student has drawn their own portrait to go on the 2025 DNPS Tea Towel. We are raising money for our school mural to be painted.

2025 ANNUAL MAGAZINE

Hey Kids, it's time to start preparing the front cover for the School Magazine!

This year it is going to be done with picture letters, like the front of the Guinness World Records Book.

So we need letters and numbers for:

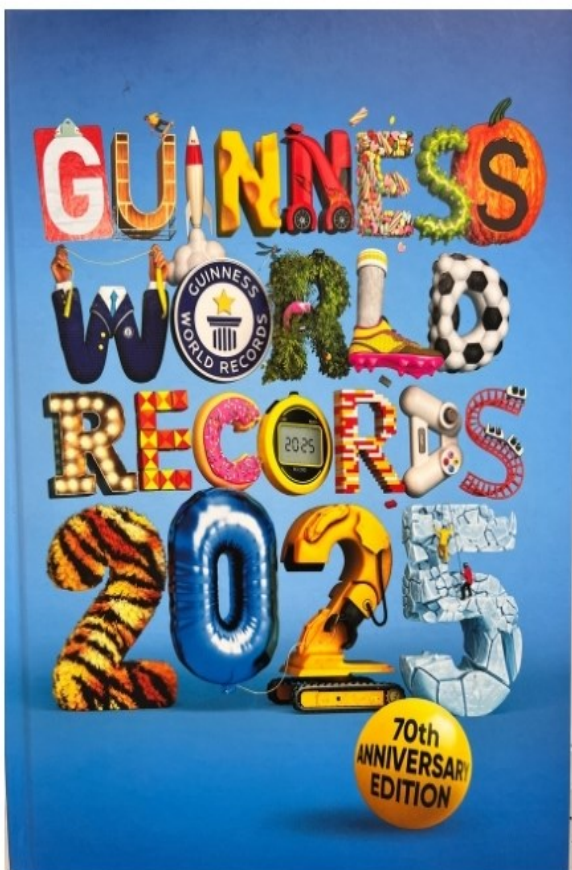

DNPS 2025 ANNUAL MAGAZINE.

Please use texta, not pencil, as it looks better and each letter needs to be no smaller than $\frac{1}{4}$ of an A4 page in size. Just have ago at 1 - 3 letters, not the whole title. The school holidays would be a great time to start working on it.

Due: Week 5 of Term 3.

Here are some examples and ideas.

How cool is the donut 'C'!

We also need random drawings for the back cover and throughout the magazine.
